Sub: ACES_LAN - Thin Clients - Review of Site Survey
and nomination of one pilot officer.

Ref: F.No. IV[24]/10/11/30/2008-Stas. Dt.19-6-08
of DG-Systems (through CC's letter dated 24-8-08)

1. An abstract of e-mail dt. 25-8-08 received from the DG Systems, Delhi is communicated herewith :

"As discussed please find attached the user list of officers in your Commissionerate. This list has been prepared on the basis of the Site Survey report in respect of your Commissionerate headquarters. You are requested to go through the list of users and confirm that the list has captured all the officers and also identify the list of users who will need to be provided with nodes(Thin Clients)."

Additional Director-Systems

Copy of letter cited above also is sent herewith.

2. You are aware that the core work flow in central excise technical work (e.g. subjects like ER scrutiny, creation of audit paras, issue of SCN, adjudication and subsequent dispute resolution mechanism, refunds, exports, etc.) is to be put on the electronic format shortly. Towards this project, each of the officers identified for inclusion in the core work flow will be issued with a work-flow terminal (called nodes or thin-client computer). The supply of number of such terminals will be limited to a certain fixed quantum determined by the CBEC project. You are therefore requested to calculate the number of officers (preferably Group A, B & C executive officers, guided by the distribution norms vide para-13/Table-1 of F.No.IV(24)5/2007-Systems dt.

25-4-2007 communicated vide this office CNo.13/2006/Comp. dt. 10-5-2007) who will be required to be put on the core work flow and an equal no. of thin clients needed. The thin clients list prepared during the site survey undertaken by the vendor during 25st July -30 th July,08 is required to be reviewed as per above norms. The said list will be available with each Division as o/c copy of the site survey jointly signed by the vendor and the nodal officer. If the same is available with the Hqrs.office also, it will be shared .

3. It is also required that one suitable officer is nominated for each Division as pilot officer who will be assigned one email id for frequent study of the local requirements of the project and its progress and will further educate the other officers within the formation. Hence you are requested to complete the above two requirements and intimate the facts not later than **1st Sept.2008**

4. For more details, attachments sent with EDECS mail ID No. 101173 (All Com. & All Div.) may also be referred to. These are available at our website also {<http://www.pondycentralexcise.gov.in> >> aces core excise project >> SNo. 2,3,4,5}. Further clarifications can also be had from exclusive phone No. 4209280.
